

Recruiting Physician Assistants or Nurse Practitioners!

Who Can Prescribe Under Their Own DEA

Natalis provides a wide range of behavioral health services including; individual therapy, family therapy, group therapy, psychological evaluations and psychiatry/ medication management. We serve a diverse client population in a very supportive and collaborative setting. We provide comprehensive billing and administrative support services, allowing you to focus on patient care. We provide a great deal of flexibility and we're open to each clinician's input regarding their practice.

We are currently seeking Physician Assistants or Nurse Practitioners who can prescribe under their own DEA to join our team in St. Paul and/or White Bear Lake, MN.

Position Summary:

Provide comprehensive on-site services; Medication management & initial evaluations; Coordinate care with internal staff members and external organizations while maintaining a positive and collaborative relationship.

Qualifications:

- Current licensure as a Registered Nurse and Psychiatric Nurse Practitioner in the state of MN or as a Physician Assistant
- Current certification as a Nurse Practitioner or as an Advanced Practice Nurse with a specialty in Psychiatric Nursing or as a Physician Assistant
- Specialization in mental health issues
- Able to clearly summarize pertinent clinical information via written correspondence and medical record documentation
- Computer skills using Microsoft Office products and electronic EHR system

If you are interested in becoming a part of our team, please send your cover letter and résumé or CV to kue.yangthao@natalispsychology.com. You can also learn more about us at our website: <http://www.natalispsychology.com>.
